STATUE OF LIBERTY CROWN TICKETS ON SALE JUNE 13

New York – Tickets for access to the crown of the Statue of Liberty will be available to the public starting June 13, 2009 at 10:00 AM EDT. Tickets can be purchased from Statue Cruises online at www.statuecruises.com or by calling 877-523-9849.

There are a limited number of Crown Tickets that will be made available. Steps to checking availability online:

- 1) Select your departure location: Battery Park, NY or Liberty State Park, NJ.
- 2) Select Reserve with Crown Ticket.
- 3) Select the date of your visit – this page will show the current day (or next day if today's cruises have ended), scroll down to the calendar and select the day you would like to visit.
- 4) If there is availability on the day you would like to visit, simply proceed through the ordering process (remember only four tickets can be booked at a time).
- 5) If the day you would like to visit is not available, select a different date. If you cannot visit on the next available date please return to the Ticket Type page and select a different ticket type. (NOTE: changing departure location will not change availability of crown access tickets.)

There is a \$3 fee for each Crown Ticket on top of the ferry ticket price.

Guests will have to provide the names of individuals using the Crown Tickets. Tickets will need to be picked up at the Will Call ticket windows at your departure location. ID will be checked at the time of ticket pick up and again on Liberty Island in the information center.

Only one purchase can be made in a six-month period. Children must be at least four feet tall. Ticket purchasers will have to read and indicate they have read a disclaimer about the safety of visiting the crown of the Statue of Liberty.
